

Say Hello To *Benny™!*

How It Works

The Benny™ MasterCard® Card is a special Card that draws on the value of your annual FSA and HRA election amount. Each time you incur a qualified healthcare expense at a provider or business that accepts MasterCard®, you simply use your Benny™ Card. The amount of your qualified purchases will be deducted from your HRA or FSA automatically! And the Card is “smart” enough to know which account to draw from based on the type of expense incurred.

With the Benny™ Card, much of the paperwork related to claims has been eliminated. You’ll have online access to account activity tracking and helpful planning tools, too.

Getting Started

1. Watch your mail for an envelope with Benny’s picture on it—this will contain your Cards along with instructions and other important information. You’ll receive two Cards for your family’s use. Additional Cards are available for \$10 each through Manley Services at (800) 422-7038.
2. To prevent fraud, your Card must be activated before you can begin using it. Activate your Card according to the instructions provided.
3. Begin using your Card on the **third business day after activation**. (Remember, you can’t use the Benny™ Card at non-health related locations, such as restaurants, gas stations, and bookstores.)

Using the Benny™ MasterCard® Card is simple because ...

- **It’s automatic**—the funds are immediately transferred from your FSA or HRA at the time you incur the expense.
- **It’s fast**—a simple swipe of the Card makes it hassle-free!
- **It’s easy**—in many cases, there’s no need to send in receipts. (Be sure to save them, though, just in case.)
- **It improves your cash flow**—you don’t have to lay out cash at the time of purchase or wait for reimbursement checks.
- **It’s easy to track**—your current balance is available around the clock at www.BennyCard.com.

Here's what some actual Benny™ MasterCard® Card users are saying:

"I've used the Benny™ Card at two different pharmacies and it was fabulous! Thank you for such a great service—it is wonderful and easy!"

"I would like to... tell you how wonderful the Benny™ Card has been. With all the unexpected hospital visits, medical tests, office visits, and additional medications I've had to purchase, the Benny™ Card has been God-sent!!"

"I've found the Benny™ Card to be very convenient and easy. My son's Orthodontist's office was also very excited [about] the program. I've had to ask for receipts and fill out claim forms in the past, and it is extra paperwork for both them and me. Now they just swipe the Card. I also really like not having to pay twice. For a family on a budget, it makes a big difference."
