

**SUMMARY OF  
BENEFITS MANDATED**

**MANAGED CARE  
STANDARD PLAN**

**MAXIMUM BENEFIT** ..... \$100,000 per person per calendar year

**OUT-OF-POCKET LIMIT** ..... \$5,000 per person / \$10,000 per family per calendar year

Once the out-of-pocket limit has been met, this plan will pay 100% of covered charges (after copayment) for the rest of that calendar year. Benefits paid in full, copays, nonparticipating provider charges in excess of the PacificSource fee allowance, and those services marked with an asterisk (\*) do not accumulate toward the out-of-pocket limit.

* Brand (when generic substitute is available)	100% after \$10 copay plus generic/brand cost difference	100% after \$10 copay plus generic/brand cost difference

Payment to providers is based on the prevailing or contracted PacificSource fee allowance for covered services. Although participating providers accept the fee allowance as payment in full, nonparticipating providers may not. Services of nonparticipating providers could result in out-of-pocket expense in addition to the percentage indicated.

- **In true emergencies, nonparticipating providers are paid at the participating provider level.**
