If any person listed on this application has been covered during the 12 months prior to the requested effective date of this application, with a 63-day or less break in coverage, please complete the following information. Please provide a **Certificate of Creditable Coverage** from your prior carrier or other appropriate documents to establish prior creditable coverage. If coverage is provided for a dependent from a previous marriage or relationship, please attach a copy of the court documentation that shows who is responsible for the dependent(s)' health care insurance so that the carrier can determine whose coverage is primary (**please use additional paper if needed**).

To reduce the 12-month exclusion period by your creditable coverage, you should give your new carrier a copy of any **Certificates of Creditable Coverage** you have. If you do not have a certificate, but you do have prior health coverage, you should work with your prior plan or insurer to obtain evidence of coverage. There are also other ways that you can show you have creditable coverage; i.e., pay stubs or EOBs. Please contact your new carrier if you need help demonstrating creditable coverage.

**SECTION 8—AFFIRMATION**

I affirm the answers given in this “Idaho Small Employer Application” are complete and correct. I am providing these answers as part of the application procedure required by this insurance carrier to enroll in its insurance coverage. I understand that the insurance carrier will rely on each answer in making its rating determination. I understand if this application contains any material misstatements or omissions, the insurance carrier may, within the first 24 months of coverage, take any other legal action available by law. I will promptly inform the insurance carrier in writing if anything happens before my coverage takes effect that makes any answer in the “Idaho Small Employer Application” incomplete or incorrect. I understand that a twelve month waiting period for coverage of preexisting conditions may apply. I understand and agree no coverage shall be in force until approved by the insurance carrier. Coverage will be in force as of the effective date pursuant to the terms of the plan/contract.

**SECTION 9—STATEMENT OF UNDERSTANDING**

By signing this application, I represent that all my answers are complete and accurate and that I understand and agree to the following conditions:

- No independent producer, agent or employee of the insurance carrier, or of my employer, can change any part of this application or waive the requirement that I answer all questions completely and accurately.
- The insurance carrier may terminate or rescind an employer’s group coverage for any misrepresentation, omission of fact by, concerning, or on behalf of any applicant that was or would have been material to the insurance carrier’s acceptance of a risk, extension of coverage, provision of benefits or payment of any claim.
- As proof of status of employment, I authorize my employer to release to the insurance carrier appropriate documents, including but not limited to W-2 Wage and Tax Statements and other wage and tax summaries or forms.
- Coverage for me and any eligible persons named on this application will begin on the effective date pursuant to the terms of the plan/contract.
- I agree to abide by the terms of the group’s master policy/member certificate, which sets forth all of the terms and conditions of my coverage. No agent or other person can change the terms of the master contract, any of its amendments, or this application, except with an amendment issued expressly for that purpose and signed by an authorized officer of the insurance carrier.
- I understand that this application will become part of the contract between the insurance carrier and my employer.
- I have reviewed all answers given on this application and, regardless of whether an independent producer or other person has filled out the answers for me, I verify that the answers are true and complete.
- **NOTICE OF PREEXISTING CONDITION EXCLUSION:** This plan imposes a preexisting condition exclusion. This means that if you have a medical condition before coming to our plan, you might have to wait a specified period of time before the plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care, or treatment was recommended or received within a six-month period. Generally, this six-month period ends the day before your coverage becomes effective. However, if you were in a waiting period for coverage, the six-month period ends on the day before the waiting period begins. This preexisting condition exclusion does not apply to pregnancy nor to individuals under the age of 19 years beginning upon the Employer Group renewal on or after September 23, 2010, as provided in the Patient Protections and Affordable Care Act (PPACA).

This exclusion may last up to 12 months from your first day of coverage or, if you were in a waiting period from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior “creditable coverage.” Most prior health coverage is considered creditable coverage and can be used to reduce the preexisting condition exclusion if you have not experienced a break in coverage of at least 63 days.
