MAXIMUM LIFETIME BENEFIT No Overall Lifetime Limit

OUT-OF-POCKET LIMIT

Participating Providers \$3,750 per person / \$11,250 per family per calendar year

Nonparticipating Providers \$10,000 per person per calendar year

Only participating provider expense applies to the participating provider out-of-pocket limit and only nonparticipating provider expense applies to the nonparticipating out-of-pocket limit. Once the participating provider out-of-pocket limit has been met, this plan will pay 100% of covered charges for participating and network not available providers for the rest of that calendar year. Once the nonparticipating provider out-of-pocket limit has been met, this plan will pay 100% of covered charges for nonparticipating providers for the rest of that calendar year. Benefits paid in full, and nonparticipating provider charges in excess of the PacificSource allowable fee do not accumulate toward the out-of-pocket limit. Nonparticipating provider charges in excess of the PacificSource allowable fee will continue to be the member's responsibility even after the out-of-pocket limit is met.

* **In true medical emergencies, nonparticipating providers are paid at the participating provider level.**

Payment to providers is based on the prevailing or contracted PacificSource fee allowance for covered services. Although participating providers accept the fee allowance as payment in full, nonparticipating providers may not. Services of nonparticipating providers could result in out-of-pocket expense in addition to the percentage indicated. Network Not Available payment (NNA) is allowed when PacificSource has not contracted with providers in the geographical area of the member's residence or work for a specific service or supply. Payment to providers for Network Not Available is based on the usual, customary, and reasonable charge (see "allowable fee" in the Definitions section) for the geographical area in which the charge is incurred.
