

Convenience for employers and members

Online Enrollment at PacificSource.com

Online Enrollment at Your Service

As a service to our members and plan employer clients, we offer online enrollment for both new and existing groups.

What Can You Do with Online Enrollment?

Complete an application

Members or plan administrators can complete enrollment applications online and they are electronically sent directly to PacificSource.

Make changes to existing enrollment information

Making updates to current member information has never been easier. Members and plan administrators can simply go online to add or delete dependents, update an address, order ID cards, or make other changes to an existing policy.

The Advantages of Online Enrollment

It's fast

There are no delays for U.S. mail. Instead, applications are immediately processed into our system, making enrollment faster than ever.

It's efficient

Any time we eliminate paper in our workplace, we are increasing efficiency and decreasing the burden on our environment.

It's convenient

No matter where you are, InTouch is available. Just look for the Login button near the upper right of any page on PacificSource.com.

How Can You Get Started with Online Enrollment?

To learn more about online enrollment and get started, please contact your PacificSource Client Services Representative. If your group has just joined PacificSource, you may register the month following your initial enrollment. For specific InTouch for Employers assistance, call our InTouch for Employers Help Line at (541) 225-3742 or toll-free at (800) 624-6052 ext. 3742, or e-mail intouchforemployers@pacificsource.com.
