

AccordantCare™

Rare Disease Program

Your Support System for Certain Chronic Health Conditions

PacificSource AccordantCare provides you with a personal healthcare support system for certain chronic health conditions. This program is designed to help meet your unique healthcare needs if you have:

- Amyotrophic lateral sclerosis (ALS)
- Chronic inflammatory demyelinating polyradiculoneuropathy (CIDP)
- Cystic fibrosis
- Dermatomyositis
- Gaucher disease
- Hemophilia
- Multiple sclerosis
- Myasthenia gravis
- Parkinson's disease
- Polymyositis
- Rheumatoid arthritis
- Scleroderma

- Seizure disorders
- Sickle cell disease
- Systemic lupus erythematosus (SLE)

Up-to-date information when you have questions or concerns

- Specialized support. Specially trained AccordantCare nurses are available by telephone 24 hours a day, seven days a week, to answer medical questions and assist with condition-related concerns.
- Personalized health evaluations to help you identify early warning signs of potential complications and measure your progress
- Monitoring and care coordination assistance to make sure your healthcare providers are alert to health status changes and your specific needs
- In-depth, disease-specific information through educational brochures and monthly newsletters, plus access to the secure Web site for patients, Accordant.com

If you have questions about the AccordantCare program, you're welcome to contact our Customer Service Department at (541) 684-5582 or toll-free at (888) 977-9299, or e-mail us at cs@pacificsource.com.
