

Wellpartner Pharmacy:

For Convenient and Affordable Home Delivery of Your Medications

Are you tired of inconvenient trips to the pharmacy and long lines to fill your prescriptions? Try PacificSource's Oregon-based mail order pharmacy option: Wellpartner pharmacy.

Wellpartner provides convenient and affordable home delivery pharmacy services for PacificSource members. We care about your pharmacy experience and our experienced team of licensed pharmacists and customer service representatives are committed to providing prompt, attentive and quality service, no matter where you are.

Enrollment is simple – just phone, fax, mail or go online – your prescription will be delivered to the address of your choice, whether it's to your home, office, hotel or anyplace you are. And best of all, there are no delivery charges.

Our friendly service is easy to use, saves you time and meets your pharmacy needs:

- **Home Delivery.** All orders are delivered to your address by mail and shipped anywhere in the United States.
- **Free Shipping.** Shipping is FREE on all orders containing a prescription.
- **Fast Service.** Most prescriptions are shipped on the same or next business day and delivered typically within four to seven business days of being received.
- **Convenient, One-Stop Shopping.** Choose from a wide selection of brand-name vitamins, supplements and other non-prescription products at competitive prices. Or, select our Wellpartner-brand products and save even more.
- **Personalized Service.** Get individualized attention from the privacy of your home or office.
- **Oregon-Based Business.** Wellpartner serves the pharmacy needs for thousands of individuals throughout the Pacific Northwest.

Is Home Delivery Pharmacy Right for You?

Home delivery pharmacy service may be the right choice if you can answer "yes" to one or more of the following questions:

- Do you have a chronic condition that requires taking medication regularly?
- Does your schedule make it difficult to get to your pharmacy during normal business hours?
- Does your pharmacy benefit plan offer savings when using mail service?
- Do you ever find it difficult to get your medications when you are traveling?
- Would you like the ability to speak privately with a pharmacist?
