Decide on Dental

Good dental health can lead to better overall health. You can group our dental plans with your health plans, or select dental-only.

Choose a plan on our Dental Advantage network

With Dental Advantage plans, you'll have access to a robust network of more than 1,800 dental providers in Idaho, Oregon, and Washington. It's important that you see Dental Advantage network dentists. Otherwise, you'll end up paying more out of pocket for your dental care. Find dentists who are in the Dental Advantage network at [PacificSource.com/find-a-dentist](https://www.pacificsource.com/find-a-dentist).

Important terms to know when shopping for dental plans

Network: A group of dental providers you must choose from in order for the plan to pay at the in-network rate.

Annual maximum benefit: The most our plan will pay in a calendar year for adults 19 and older.

Annual deductible: The amount you'll need to pay in a calendar year before the plan pays for covered non-preventive dental services.

Pediatric out-of-pocket maximum: The most you'll pay in a calendar year for enrolled kids through age 18.

Adult waiting period: The amount of time members 19 and older will need to wait prior to receiving some dental services. Wait periods may be waived based on prior coverage.
