## 2020 Dental Plans for **Idaho** Small Groups | 2–50

---

# Decide on Dental

Good dental health can lead to better overall health. You can pair our dental plans with the health plans you offer your employees, or select dental-only.

## Choose a Dental Choice or Dental Advantage plan

**Dental Choice plans** give your employees the option to see any dentist they want. It's a high-value option for employees who place a premium on choice.

**Dental Advantage plans** give your employees access to a robust network of more than 1,800 dental providers in Idaho and Oregon. In order to get the most value from your plan, it is important that your employees see Dental Advantage network dentists.

Find dentists who are in the Dental Advantage network at [PacificSource.com/find-a-dentist](https://pacificsource.com/find-a-dentist).

## Give your employees a voluntary dental option

Not looking to offer a dental plan, but want to give your employees a dental option? Voluntary Dental may be just what you need.

With this option, your employees pay the full premium as if they were buying their own dental plan, but they get plan benefits that typically come with a dental plan that you might offer as an employer.

Please note that there are additional guidelines and requirements for voluntary dental plans.

Download our voluntary dental brochure at [PacificSource.com/idaho/voluntarydental.pdf](https://pacificsource.com/idaho/voluntarydental.pdf).

## Group size requirements

The listed group size requirement applies when the dental plan is purchased as a stand-alone plan. When grouped with a medical plan, all dental plans are available.
